DETAILED ACTION

Continued Examination Under 37 CFR 1.114

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on 04/21/2009 has been entered.

EXAMINER'S AMENDMENT

2. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Larry Zelson on 6/19/2009. The application has been amended as the attached claim set reads. The attached claim set will replace all existing claim sets.

Allowable Subject Matter

3. Claims 16-23 allowed.

Art Unit: 3774

4. The following is an examiner's statement of reasons for allowance: After a thorough search of the prior art and an in-person interview with the applicant and inventor, it has been determined that no prior art heart valve exists whose valves either a) anticipate a parabolic cross-section where lengths are determined to vary in a substantially linear fashion with the height Z, or b) would provide sufficient motivation for one skilled in the art at the time of invention to consider such a design, as it goes against the art-recognized practice of mimicking the natural heart valve size and shape, as is illuminated in the Rule 131 Affidavit filed 04/21/2009.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

Any inquiry concerning this communication or earlier communications from the examiner should be directed to JONATHAN R. STROUD whose telephone number is (571)270-3070. The examiner can normally be reached on Monday through Friday, 8:30 a.m. to 6 p.m..
